Director & Joint Secretary

YOUNG INTERNS PROGRAM 2016

INTRODUCTION :

Management of development schemes and programmes and policy and regulatory frameworks are areas within the government which could be benefitted from an outsider perspective. An academically inclined person with interest in development management can benefit immensely from getting a ring -side seat within the government, through analysis of regulations. Policy and public service delivery in general.

Young Interns Program 2016 is an internship program consisting of leveraging skill sets of students of reputed institutions or young entrepreneurs / innovators/ employees of private sector /self - employed professionals / scholars/ educators/ any other on sabbatical leave and simultaneously the individuals gain invaluable insight while working for the state Government departments/ agencies. Thus, this program would be mutually beneficial to both the stakeholders. This is purely an internship program and does not provide any type of employment or guarantee for any employment in future.

NODAL DEPARTMENT:

Planning Department is the nodal department and Directorate of Economics & Statistics is responsible for implementation of the program.

OBJECTIVES OF THE PROGRAM:

The objectives of the program are as follows.

- To empower the young brains to learn and spread awareness and knowledge about various government programs and services for the benefit of society and to act as a bridge between the service providers and recipients.
- To develop operational and learning skills among young scholars.
- To strengthen their research and evaluation skills in the field of public administration and development services.

- To generate interest amongst youth towards public services.
- To get independent critical analysis of Government Programs and seek suggestions for corrective measures.
- To enhance the outreach and impact of Government Schemes & Programs.
- To promote innovations in Government Schemes & Programs.

DURATION OF INTERNSHIP :

Program has structured for the time period as follows:

- For internship assignment forming part of training as per curriculum of a course : 2-6 months
- For the candidates on sabbatical leave : Maximum 2 years

STRUCTURE OF INTERNSHIP:

Structure of internship would be as follows:

- Intern would be linked to the administrative department / office responsible for sector of interest.
- Intern would be allotted a project for the duration / tenure of internship.
- A mentor would be appointed by administrative secretary /HoD.
- A brief orientation program covering government functioning would be given to initiate the internship.

ELIGIBILITY CRITERIA FOR SELECTION:

- Graduate or Post -graduate student in the field of Development Studies/ International Development / Political Science / Economics/ Sociology / Public Policy / Finance /Management / Communications from a reputed University.¹
- Young entrepreneurs, innovators. employees of private firms/ companies /think tanks, self - employed professionals (Lawyears,Engineers, Doctors, Social Scientists, Educators etc). Also scholars or educators or any other on Sabbatical leave.
- Excellent communication / presentation / intra -personal skills.

¹ Interns may have 'flextime' and may work from their residences (if decided by the mentor)

- Well versed Information Technology skills (MS Office including MS Word, Power Point, Excel and other similar programs on alternative platforms)
- Age between 18-35 years (on 01.01.2017).
- 1-2 years of development experience in working with a non -profit, community based organization, Charity / Philanthropic organization, Aid agencies, Multilateral/ Bilateral agencies etc. will be an advantage.
