Dated the 19th July, 2019

Dear Sir,

This is in continuation to my D.O. letter number 9/18/2019-CD(Cen) dated 12th June, 2019, regarding conduct of Pre-test for Census 2021 in the selected areas. The dates for Pre-test has also been notified and communicated to you vide my letter no. 9/7/2019-CD(Cen) dated 2nd July, 2019.

2. I am to re-iterate that the Pre-test for Census 2021 is a full dress rehearsal of the actual operations wherein the questions proposed, methodology, mobile app, logistic arrangements, processing of data etc. will be tested. Further, as the Government has decided to update the National Population Register (NPR) alongwith the first phase of Census, created under the Provisions of Citizenship Act, 1955 and Citizenship Rules 2003, the process for updation of NPR will also be tested during Pre-test. Due to all these things, field operations of Pre-test for Census and NPR during 12th August, 2019 to 30th September, 2019 would carry significant importance.

3. In this connection, I am to further inform that expenditure for the said Pre-test shall be borne by the Government of India. The component-wise amount that will be provided to the field functionaries for Pre-test of Census and NPR is at Annex-1.

4. The State Directorate of Census Operations will be coordinating the entire exercise and provide requisite assistance to the Charge Officers for the smooth conduct of Pre-test field work. I look forward to your close cooperation and support in successful completion of this important task.

With ^{warm} regards

Yours sincerely,
Vivek Joshi
